“ALWAYS OFFERING” UPDATE! We encourage Trinity members to consider signing up for the automatic withdrawal program so that your offering can always be there for your church. Electronic giving is convenient for you and provides much-needed consistency for our church. When weather, travel, illness or other circumstances prevent you from attending services, this program allows your offerings to continue on an uninterrupted basis. We are grateful for those that are currently participating in this program. Enrollment cards are still available and can be found on the Information Table in the Commons area. These cards, once filled out, may be placed in offering plates, mailed to the church, or dropped off in the church office.
