ANNOUNCEMENTS

ANNUAL MEETING PART 1 SUN 19 NOV 2023 The annual meeting of the congregation for 2023-24 is coming up on **Sun 19 Nov 10:15 AM** and will be the concluding part of the worship service. This first of two meetings will once again emphasize the ways God calls us to faithfully support the ministries of Trinity through the blessings of our church leaders and finances. In addition to voting for elected leadership positions and approving a general budget for the coming year, the congregation will receive reports from the Finance and Nominating Committees. We will also share in an opportunity to look back over the past year in celebration of all the blessings God has given us, so we may continue to "Rise Up" in the coming year, to keep going and growing together as "a welcoming congregation that engages all people of all ages"!

2023-2024 OFFERING ENVELOPES The new offering envelopes are available for pick up in the Commons. If you currently do not have an envelope # assigned to you and would like one, please take an unassigned box (located on far right side of table) and write your name (next to the number you're taking) on the clipboard.

USHERS & GREETERS ARE THE GREATEST! Trinity is blessed to have the best team of ushers and greeters for our worship services--thank you for serving in this special way that welcomes others and makes Sunday mornings all the more meaningful. But there is always room for more, and all are welcome to be a part of this important ministry! If you would like to join our great usher and greeter team, please sign up on the list on the information table in the commons area, or contact the church office. Talk with Pastor Leaf if you have any questions. A new usher and greeter schedule is coming up in December and we want to make sure you are a part of it!
